

SAVING URBAN  
MARRIAGE

Heal the Family. Heal the City.

They will rebuild the ancient ruins and restore the places long  
devastated; they will renew the ruined cities that have been  
devastated for generations.

Isaiah 61:4 (NIV)

Saving Urban Marriage - An Initiative of For Better For Worse For Keeps Ministries

# We exist to heal hearts and restore marriages in underserved communities.

Heal a heart, and you restore a marriage.  
Restore a marriage, and you save a family.  
Save a family, and you strengthen a church.  
Strengthen a church, and you transform a community.  
Transform a community, and you impact a culture.

What cities need, more than anything, is the gospel of Jesus Christ. Saving Urban Marriage comes alongside local churches to bring the power of the gospel into damaged hearts, broken families, and devastated communities. We plant marriage ministries that reconstruct the building blocks of cities and cultures.

Given 10 couples on the verge of divorce, secular counseling keeps 1 couple together. Saving Urban Marriage is many times more effective, keeping 8 out of 10 couples together.

## Our Ministry

Love one another deeply, from the heart...

1 Peter 1:22

Saving Urban Marriage offers many resources to strengthen godly marriages:

### 1 Intensive Pastoral Care and Prayer for Married Couples and Singles

We provide five days of intensive pastoral care and prayer for couples and singles, free of charge. Often nearing divorce, the majority of couples we work with choose to stay together. Marriages are restored and families saved as couples experience the life-changing power of prayer and the Gospel of Christ.

### 2 Weekend Marriage and Singles Conferences

Day-long seminars are offered in partnership with a local church that include *For Better For Worse For Keeps* and *How to be Really Married* (for married couples), *The Road to I Do* and *Healing the Heart through Prayer* (for pre-marital couples and singles).

### 3 Healing the Heart through Prayer Training Events

This twelve-hour intensive training equips pastors and volunteers to bring Christ's touch to broken and damaged hearts in their own church and community. For those who complete the training, options for more advanced training are available.

### 4 Resources

Our website ([forkeepsministries.com](http://forkeepsministries.com)) offer resources to help heal hearts and restore marriages – challenging articles, timely blogs, audio, and videos in digital or hard copy format are available. Bob and Cheryl Moeller's many books are available for order, including: *For Better For Worse For Keeps*, *The Marriage Miracle*, and *One Minute Devotional For Couples*. Saving Urban Marriage hosts a nation-wide weekly television program, "Marriage: For Better, For Worse." "The Marriage Minute" is a daily radio devotional carried on multiple stations. These programs provide biblical answers and encouragement for relationship challenges.

### 5 Development and Resource Planning

Many Christians are concerned for the future of marriage and the family in our nation – particularly for marriages in underserved communities. We offer these people a way to help support the ministry on a regular monthly basis, through special gifts, or by making us part of their estate planning and ongoing legacy.

No marriage stands alone. Every marriage saved impacts 12 other couples.

## Our Story

Saving Urban Marriage is a ministry of For Better For Worse For Keeps Ministries, founded by Bob and Cheryl Moeller in 2009. Bob and Cheryl met in seminary, married, and have served in numerous urban settings. They have been ministering together for over three and a half decades. Their desire to encourage couples to stay together for a lifetime gave birth to the “For Better For Worse For Keeps” Marriage Conference, initiating their trademark style of teaching Biblical principles through personal storytelling.
